Fees

Fees can be paid monthly (or any larger variation of the full amount) by cash, cheque (post-dated for the first of each month for the duration of the term), or e-transfer. The first month's tuition for each student along with any other fees associated with said classes is due at the time of registration. Students whose tuition has not been acquired by the first of each month of the term must provide the full amount along with the following month's tuition by the first of the following month. Failure to do so will result in the termination of your student from the program and the inability to register for further programming.
